### **Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On November 21, 2019, Synthesis Energy Systems, Inc. (the “Company”) received an additional delinquency notification letter from the Listing Qualifications Staff (the “Staff”) of The Nasdaq Stock Market LLC (“Nasdaq”) due to the Company’s continued non-compliance with Nasdaq Listing Rule 5250(c)(1) (the “Rule”) as a result of the Company’s failure to timely file its Quarterly Report on Form 10-Q for the quarter ended September 30, 2019 (the “Form 10-Q”). As previously disclosed, the Company earlier received notice from the Staff regarding its non-compliance with the Rule following the Company’s delay in the filing of its Annual Report on Form 10-K for the fiscal year ended June 30, 2019 (the “Form 10-K”) and its non-compliance with the minimum stockholders’ equity requirement under Nasdaq Listing Rule 5550(b)(1).

The Company has requested a hearing before the Nasdaq Hearings Panel. The hearing request automatically stayed any suspension/delisting action through December 5, 2019. In connection with the hearing request, as permitted under the Nasdaq Listing Rules, the Company requested that the Panel extend the stay through the hearing and the expiration of any extension period granted by the Panel following the hearing. However, there can be no assurance that the Panel will grant the extended stay or that the Panel will grant the Company an extension to enable it to complete the planned merger transaction and thereby demonstrate compliance with all applicable requirements for listing on The Nasdaq Capital Market. The Company’s management continues to work diligently to complete the Form 10-K, as well as the Form 10-Q, and to file the Form S-4 in connection with the merger transaction with Australian Future Energy Pty Ltd, and intends to file the documents with the SEC as soon as practicable.

In addition, on November 22, 2019, the Company issued a press release related to the Nasdaq notice. A copy of the press release is attached hereto as Exhibit 99.1.

#### *Forward-Looking Statements*

This current report contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the “Securities Act”), and Section 21E of the Securities and Exchange Act of 1934, as amended (the “Exchange Act”). Statements that are not strictly historical statements constitute forward-looking statements and may often, but not always, be identified by the use of words such as “expects,” “believes,” “intends,” “anticipates,” “plans,” “estimates,” “potential,” “possible,” or “probable” or statements that certain actions, events or results “may,” “will,” “should,” or “could” be taken, occur or be achieved. The forward-looking statements include statements about future operations and the anticipated timing for closing the proposed merger. Forward-looking statements are based on current expectations and assumptions and analyses made by the Company and AFE in light of experience and perception of historical trends, current conditions and expected future developments, as well as other factors appropriate under the circumstances. However, whether actual results and developments will conform with expectations is subject to a number of risks and uncertainties, including but not limited to the possibility that the companies may be unable to obtain stockholder approval or satisfy the other conditions to closing. The Company’s annual report on Form 10-K for the year ended June 30, 2018, recent current reports on Form 8-K, and other SEC filings discuss some of the important risk factors identified that may affect its business, results of operations, and financial condition. The Company and AFE undertake no obligation to revise or update publicly any forward-looking statements, except as required by law.

## SYNTHESIS ENERGY SYSTEMS ANNOUNCES RECEIPT OF ANTICIPATED NASDAQ NOTICE OF ADDITIONAL DELIQUENCY

**HOUSTON, November 22, 2019** – Synthesis Energy Systems, Inc. (SES) (Nasdaq: SES) today announced that, as expected, the Company received an additional delinquency notification letter from the Listing Qualifications Staff (the Staff) of The Nasdaq Stock Market LLC due to the Company’s continued non-compliance with Nasdaq Listing Rule 5250(c)(1), (the Rule) as a result of the Company’s failure to timely file its Quarterly Report on Form 10-Q for the quarter ended September 30, 2019. As previously disclosed, the Company earlier received notice from the Staff regarding its non-compliance with the Rule following the Company’s delay in the filing of its Annual Report on Form 10-K for the fiscal year ended June 30, 2019 and its non-compliance with the minimum stockholders’ equity requirement under Nasdaq Listing Rule 5550(b)(1).

The Company has requested a hearing before the Nasdaq Hearings Panel. The hearing request automatically stayed any suspension/delisting action through December 5, 2019. In connection with the hearing request, as permitted under the Nasdaq Listing Rules, the Company requested that the Panel extend the stay through the hearing and the expiration of any extension period granted by the Panel following the hearing. However, there can be no assurance that the Panel will grant the extended stay or that the Panel will grant the Company an extension to enable it to complete the planned merger transaction and, thereby, demonstrate compliance with all applicable requirements for listing on The Nasdaq Capital Market. The Company’s management continues to work diligently to complete the Form 10-K, as well as the Form 10-Q, and to file the Form S-4 in connection with the merger transaction with Australian Future Energy Pty Ltd, and intends to file the documents with the SEC as soon as practicable.

Robert Rigdon, the Company’s CEO, commented: “On October 10, 2019, we announced an important merger transaction with AFE and acquisition of additional ownership in Batchfire Resources. We believe these transactions, now underway, have the potential to bring growth and value to the Company’s shareholders and debenture holders. The late filing of our Form 10-K for the year ended June 30, 2019 and the anticipated late filing of our Form 10-Q for the quarter ended September 30, 2019 are the result of audit delays caused by the merger-related restructuring activities undertaken by the Company, prior to signing the merger agreement with AFE. With preparations for the merger now underway, the Company is working with our auditors, with AFE and with all of our advisors to work in the most expeditious manner possible to complete these late filings related to the audit, and to timely complete all of the additional required filings necessary for the closing of the merger.”
